## Portland OR Regional Processing & Distribution Center Goes Live February 24, 2024

As part of the Postal Service's 10-year Delivering for America plan to invest in the postal network in Oregon and across the nation, the Portland OR Regional Processing & Distribution Center (RPDC) will begin operations on February 24, 2024.

This activation has seen the existing Portland Processing & Distribution Center (PDC) renovated for its new role functioning as the Portland OR RPDC. The new operation remains at its current location: 7007 NE Cornfoot Rd, Portland OR, 97218-9997. Renovating these existing facilities will help the Postal Service bolster effectiveness, strengthen customer service, eliminate long term maintenance costs, and prepare us for the next 30 years of operations.
