**Overview** For an annual permit fee, a Business Reply Mail (BRM) permit is available for distributing business reply cards, envelopes, self-mailers, and labels for envelopes. Business Reply Mail (BRM) service enables a permit holder to receive First-Class Mail and Priority Mail back from customers and pay postage and a per piece fee for only the pieces returned. BRM cards, envelopes, self-mailers, flats, and labels may be distributed by a BRM permit holder in any quantity for return to any Post Office in the United States and its territories and possessions, including military Post Offices overseas. The BRM permit holder guarantees payment of First-Class Mail postage plus a per piece charge for pieces returned by the USPS (see payment options below).

When designing a BRM mailpiece or label, mailers must consult with their local Post Office. The piece must conform to a specific format to qualify as BRM, including a unique ZIP+4 Code, or equivalent Intelligent Mail or POSTNET barcodes assigned by the USPS. Proofs for regular BRM should be approved by the USPS before printing. Proofs for Qualified Business Reply Mail (QBRM) must be approved by the USPS and must bear an Intelligent Mail barcode (IMb). On page two is a layout example for a BRM envelope. For reusable envelopes using BRM with two-way indicia, see [601.6.6.4](#) for requirements.

BRM pieces distributed in automation mailings are required to meet automation compatibility standards. BRM templates are available on the Postal Explorer Web site at [pe.usps.com](http://pe.usps.com) by selecting "Mailpiece Design" in the left frame.

**Payment Options** For a complete listing of Business Reply Mail prices, see [Notice 123–Price List](#).

**Permit Holder Space:** May contain information such as return address, logos, distribution codes, and form numbers.

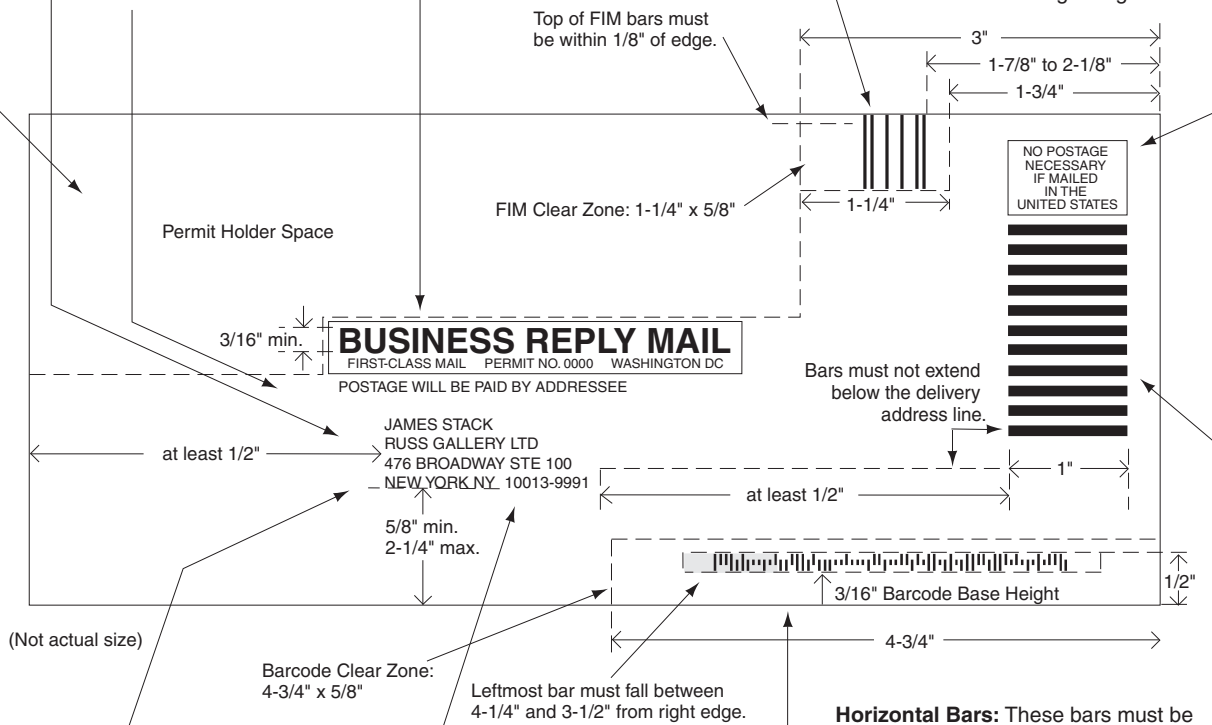

**Company Logo:** For barcoded pieces, a company logo is permitted in the address block if it is placed no lower than 5/8 inch from the bottom edge of the mailpiece and does not interfere with the barcode clear zone.

**Postage Paid Line:** Place the endorsement "POSTAGE WILL BE PAID BY ADDRESSEE" (in capital letters) under the business reply legend box.

**Business Reply Legend:** The words "BUSINESS REPLY MAIL" are required above the address in capital (uppercase) letters. Immediately below, place the words "FIRST-CLASS MAIL PERMIT NO.:" followed by the permit number and the name of the issuing Post Office (city and state) in capital letters.

**Facing Identification Mark (FIM):** A FIM pattern (specifically FIM B without barcode or FIM C with barcode) is required on all BRM postcards and letter-size mailpieces. The FIM clear zone must contain no printed matter other than the FIM pattern. FIM bars must be between 1/2 and 3/4 inch high and 0.03125 inch (1/32 inch) ( $\pm 0.008$  inch) wide.

**Barcode Location:** The POSTNET or Intelligent Mail barcode may be located here or in the address block. The barcode must be a ZIP+4 barcode (delivery point barcodes are not permitted). This area must be free of any printing other than the barcode. A free camera-ready barcode positive may be obtained from your local Post Office.
