Postal Service Updates for September 2026 S&DC Activations

The Postal Service has launched two new Sorting and Delivery Centers (S&DCs) on September 19, 2026. The activations included the insourcing of ZIP Codes into the new S&DCs. Hebron KY SDC was the final insourcing of carriers and Salt Lake City SDC was the first insourcing of carriers.

The S&DCs will revitalize our network of nearly 19,000 delivery units - the last stop for mail and packages before they are delivered by our carriers. The Postal Service has targeted key markets where it is beneficial to aggregate delivery units into fewer, larger, centrally located S&DCs - leveraging both repurposed and new facilities - to simplify the entire network and create a more reliable and efficient Postal Service.

September 19, 2026, new site with 5-Digit ZIP Code moves (First insourcing of carriers):

Locations

Salt Lake City UT West SDC
1095 South 4800 West, Salt City, UT 84104

ZIP Codes Served

September 19, 2026, preexisting site with 5-Digit ZIP Code moves (Last insourcing of carriers):

Commercial customers should drop their flat bundles or packages for drop shipment at the S&DC serving the respective destinating ZIP Codes.

The opening of the new S&DCs will not impose Post Office closures or cause customers to experience changes to the local Post Office retail and PO Box delivery services.
