Postal Service Launches Eleven New Sorting and Delivery Centers in September and October 2025

The Postal Service will launch 10 new sorting and delivery centers (S&DCs) serving the nation on September 6 and will launch one more on October 18. Five of these new S&DCs will open September 6 without additional 5-Digit ZIP Codes being moved into them and five S&DCs will open with additional 5-Digit ZIP Codes moving into them. There will be one existing S&DC site adding additional 5-Digit ZIP Codes on September 6, and two existing S&DCs adding additional 5-Digit ZIP Codes on October 4. One new S&DC will open October 18 with additional 5-Digit ZIP Code moves. These S&DCs are an integral part of the Postal Service's Delivering for America plan to create a best-in-class processing and delivery network.

The S&DCs will revitalize our network of nearly 19,000 delivery units — the last stop for mail and packages before they are delivered by our carriers. The Postal Service has targeted key markets where it is beneficial to aggregate delivery units into fewer, larger, centrally located S&DCs — leveraging both repurposed and new facilities — to simplify the entire network and create a more reliable and efficient Postal Service.

The schedules for the new S&DCs launches are listed below with the ZIP Codes™ they will serve:
