Postal Service Updates for November 2025 S&DC Activations

The Postal Service is modifying plans to activate two Sorting and Delivery Centers (S&DC) as previously announced. These two locations originally scheduled to be activated on October 18, 2025, but have had their activations moved to November 15, 2025. These S&DCs are an integral part of the Postal Service's Delivering for America plan to create a best-in-class processing and delivery network.

The revised schedules for these two S&DC launches are listed below with the ZIP Codes they will serve:

November 15, 2025, new site with 5-Digit ZIP Code moves:

| Location | ZIP Codes Served |
|---|----------------------------|
| Charlotte NC Westside SDC 2901 Scott Futrell Dr, Charlotte NC, 28228 | 28208, 28214, 28217, 28219 |

November 15, 2025, existing site adding an additional 5-Digit ZIP Code moves:

| Location | ZIP Codes Served |
|--|---------------------|
| FT Lauderdale FL SDC 1900 W Oakland Park Blvd, Oakland Park, FL 33310 | 33315, 33316, 33335 |

Commercial customers should drop their flat bundles or packages for drop shipment at the S&DC serving the respective destinating ZIP Codes.

The opening of the new S&DCs will not impose Post Office closures or cause customers to experience changes to the local Post Office retail and PO Box delivery services.
