Postal Service Updates for May and June 2026 S&DC Activations

The Postal Service will launch six new sorting and delivery centers (S&DCs) serving the nation in May and June 2026. Another three S&DCs will expand their ZIP Area in June 2026. Four are new S&DCs that will open May 16, 2026, and another site will open on June 13, 2026, without additional 5-Digit ZIP Codes being moved into them. Three existing S&DC sites adding additional 5-Digit ZIP Codes on June 13, 2026. There will be one more new site opening June 13, 2026, with additional ZIP Codes being moved to the site. These S&DCs are an integral part of the Postal Service's Ten-Year Plan to Achieve Financial Sustainability and Service Excellence to create a best-in-class processing and delivery network.

The S&DCs will revitalize our network of nearly 19,000 delivery units — the last stop for mail and packages before they are delivered by our carriers. The Postal Service has targeted key markets where it is beneficial to aggregate delivery units into fewer, larger, centrally located S&DCs — leveraging both repurposed and new facilities — to simplify the entire network and create a more reliable and efficient Postal Service.
