Postal Service Updates October 2025 S&DC Activations and Announces 14 S&DC Activations for November 2025

The Postal Service will launch 14 new sorting and delivery centers (S&DCs) serving the nation on November 1, 2025. These locations will be converted to S&DCs on November 1 without additional 5-Digit ZIP Codes moves. One existing S&DC site (Kilmer NJ SDC) previously scheduled to add ZIP Code moves was originally scheduled to launch on September 6, has been rescheduled to October 18, 2025. In addition, the Postal Service reminds customers of the October schedule for S&DC activations published previously. Please note, an additional ZIP Code has been added to those that will be served at the Westside SDC in Charlotte, NC. These S&DCs are an integral part of the Postal Service's Delivering for America plan to create a best-in-class processing and delivery network.

The S&DCs will revitalize our network of nearly 19,000 delivery units — the last stop for mail and packages before they are delivered by our carriers. The Postal Service has targeted key markets where it is beneficial to aggregate delivery units into fewer, larger, centrally located S&DCs — leveraging both repurposed and new facilities — to simplify the entire network and create a more reliable and efficient Postal Service.

The schedules for the new S&DCs launches are listed below with the ZIP Codes they will serve:
