Charlotte NC Local Processing Center Goes Live November 23, 2024

As part of the Postal Service's 10-year Delivering for America plan to invest in the postal network in North Carolina and across the nation, the Charlotte NC Local Processing Center (LPC) (Locale Key 008903, NASS Code 282LP) will begin operations on November 23, 2024.

This activation has seen an existing facility redesigned for its new role functioning as the Charlotte NC LPC. The operation will be located at: 1820 W Pointe Dr Ste A, Charlotte NC, 28214-9106. As a Local Processing Center (LPC), Charlotte NC LPC will process letter volumes for delivery.

Renovating these existing facilities will help the Postal Service bolster effectiveness, strengthen customer service, eliminate long term maintenance costs, and prepare us for the next 30 years of operations. These initiatives will also help increase the Postal Service's service performance and market opportunities, as well as improve employee experience.

Effective November 23rd, the Charlotte NC LPC will begin processing all USPS generated SCF destination letter volume for Charlotte 280-282 and 297.

With Label Lists effective December 1st, mailer's SCF Destination Entry drop shipments of letters volume to 280-282 and 297 for SCF discount, will be at the Charlotte NC LPC.

SCF Destination flats and packages/parcels for 280-282 and 297, will remain at the Charlotte NC RPDC

Mail Direction Files (MDF)

The November Mail Direction File with an effective date of December 1, 2024, will be updated and published in the first week of November.
