Postal Service Updates for March 2026 S&DC Activations

The Postal Service will launch seven new sorting and delivery centers (S&DCs) serving the nation and will expand another two S&DCs in March 2026. Three new S&DC sites are moving additional ZIP Codes to their space and opening

March 7, 2026. Four new S&DCs will open March 21, 2026, without additional 5-Digit ZIP Codes being moved into them and two existing S&DC sites are adding additional 5-Digit ZIP Codes on March 7, 2026. These S&DCs are an integral part of the Postal Service's Ten-Year Plan to Achieve Financial Sustainability and Service Excellence to create a best-in-class processing and delivery network.

The S&DCs will revitalize our network of nearly 19,000 delivery units — the last stop for mail and packages before they are delivered by our carriers. The Postal Service has targeted key markets where it is beneficial to aggregate delivery units into fewer, larger, centrally located S&DCs — leveraging both repurposed and new facilities — to simplify the entire network and create a more reliable and efficient Postal Service.
